Research in Bavaria

Are you considering doing your **PhD** in Germany, looking for a **postdoc** position, or searching for a **professorship**? Welcome to **Research in Bavaria**!

Our online portal is featuring **career**, **research**, and **funding opportunities**—addressing international researchers from all over the world.

We help you to **get in touch** with your peers at Bavarian universities, and benefit from **international scientific exchange**.

Research in Bavaria

Research in Bavaria is an online portal helping international researchers navigate the academic landscape in Bavaria:

www.research-in-bavaria.de

The **Career Guide** provides an overview of career and funding opportunities:

www.research-in-bavaria.de/funding

www.research-in-bavaria.de/phd-programs

The blog **My New Life in Bavaria** collects stories and first hand experiences of our research community:

www.research-in-bavaria.de/blog

Follow us on **Social Media** to stay informed about new job announcements!
